Pog & Leon

Paris, 1920. Jeanne lives at the opera house with her father and her cat Slippers. One stormy night, a bolt of lightning cracks the chimney in two, revealing a pile of hidden recordings. Now Don Giovanni, the Barber of Seville, Turandot, and many others are wandering the hallways of the opera...

 — Le hibou cherche le coucou, dit la mère en retirant le glaçon de sa bouche pour le placer devant son œil grand ouvert.
 — Mais où est le coucou du hibou?
 Les Palasiers éclatèrent de rire. Anna lança un regard d'incompréhension au tambourineur, qui prit une de ses baguettes et se tapota la tempe pour lui signifier qu'ils étaient tous les deux fous.
 Plus personne ne parla pendant une minute.
 Une très longue minute.
 Le père rompit le silence en prenant une enveloppe dans la poche avant de sa chemise.
 — Tiens, hibou. Nous avons reçu ça hier par pigeon voyageur. C'est d'Anselme.
 Il lui tendit l'enveloppe.

— Tu lui diras d'ailleurs que son pigeon était délicieux. Il souleva une brochette de son assiette où l'on pouvait reconnaître un petit corps d'oiseau rôti. Anna lui lança un regard de dégoût et prit l'enveloppe maculée de graisse.

Thibault Guichon-Laurier & Frédéric Pillot

Burrow Woods is home to a great society of noble animals. But be careful. Scratch the surface and you might find that all things pretty have an ugly side: consumerism, addiction to social media, and fear of outsiders are some of the things that lurk in what looks like a simple patch of nature.

COMMENT MÉLISSANDRE LA PETITE SORCIÈRE DÉCOUVRE LE SECRET DU BONHEUR

Guillaume Bianco

It all began by the light of a full moon, when Mélissandre crossed paths with a strange little horned pig. What followed were a series of unprecedented events, magical adventures, and life-changing encounters with trolls, vampires, mermaids, and the keeper of the mirror of doom. If there is such a thing as a happiness potion, this feel-good spell-book created by Guillaume Bianco is definitely one of the ingredients.
